EXPLANATORY MATERIAL: BASIS OF CLAIM - License

After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

Right 22-7602 is also diverted through the point(s) of diversion described above.

The right holder shall accomplish the change authorized by transfer 73308 by December 20, 2008.

If the surface water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert ground water shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.

Failure of the right holder to comply with the conditions of transfer 73308 is cause for the Director to rescind approval of the transfer.

RE: Transfer #73308 for water right(s) 22-13665 and Notice of Completed Administrative Proceeding (NCAP)

Dear County of Teton Fair Board:

On December 20, 2007, the Idaho Department of Water Resources (IDWR) approved Transfer #73308, modifying the above referenced water right. Based on this transfer, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

To Whom It May Concern:

I, Dave Richardson, have knowledge of the Teton County Fair Board Water, from well site AO 013858, being used on all 36 acres of the farm ground, now being used as the Teton County Fairgrounds.

Water from the Grand Teton Canal Co. is used for our irrigation needs with the water from the above mentioned well, being used as a supplemental source of water if the Grand Teton Canal goes dry before our irrigation season is over.

Sincerely,

Dave Richardson
