22-13444, 22-13445, 22-13446, 22-13447 and Notice of Completed
Administrative Proceeding (NCAP)

Dear Claimant:

The Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for a portion of the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated with new water right numbers reflecting the division of the water right(s).

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

To whom it may concern:

The portion of property and water rights within sections 7 and 8, township 5 north, range 39 East, Boise Meridian, located in Madison County is no longer owned by Floyd Wilcox and Sons Inc. We are sending these changes in water right ownership documents in order to remove his name from the water rights.

The property was sold in its entirety to Brendon Bowes in 2002. Since then he has retained the home and 6 acres and sold the remaining portion, approximately 300 acres, to James and Kristine Maxwell in 2006. The Maxwell's and Brendon Bowes are both owners to the water rights of the fore mentioned property and should be listed as such on the records of the state of Idaho Department of Water Resources.

Thank you.
