RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14918

Dear Claimants,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of groundwater for one home with a claimed priority date of August 8, 1996. The Notice of Error Reply you submitted for the claim requested that the recommended purpose of use be revised to include domestic use for a second home. Before our recommendation of your claim can be revised, an Amended Notice of Claim to a Water Right form reflecting those changes must be submitted.

PLEASE NOTE: I have provided a map of your property, if you could please mark the Point of Diversion and the Places of Use and return it to the Northern Regional Office with the signed Amended Claim.

For your convenience, I have enclosed an Amended Notice of Claim form filled out using information from your original claim. If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Kaila R Savage
Water Resource Agent
Northern Region
