RE: Water Right numbers: 95-13524 well water and 95-13526 spring

Attachment to Notice of Error Reply

October 30, 2018

To Whom It May Concern;

With regards to Water Right Numbers 95-13524 and 95-13526

I am writing to notify you that we no longer own the parcel of land, or the water rights to, claim number 95-13526 located on parcel T49N R03W S8 NESE within Kootenai County.

Our only remaining source of water for our two residences is our well, which is under claim number 95-13524 and is located on parcel T49N R03W S8 SENE within Kootenai County.

Per the Notice of Error Reply for claim # 95-13524

Item 1: The disagreement is with the condition of overlap of water quantity that was combined with the water source (spring) from claim # 95-13526.

Our only remaining source of water for our two homes is our well, claim # 95-13524.

Item 2: We no longer own the parcel containing claim # 95-13526. The proposed recommendation for claim # 95-13524 should read: "The quantity of water rights under Right Number 95-13524 shall not exceed 13,000 gallons per day, for the domestic use for two homes."

Item 3: As we no longer own the secondary source of water, it would be difficult to service our two homes with an allocation of less than 13,000 gallons per day from our only water source, our well.

Thank you,

Dennis Smith
