RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-15920

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of groundwater for one home with a claimed priority date of January 1, 1993. The Notice of Error Reply you submitted for the claim requested that the recommended purpose of use be revised to include domestic use for a second home. Before our recommendation of your claim can be revised, an Amended Notice of Claim to a Water Right form reflecting those changes must be submitted. Also, Kootenai County records indicate the other lot is not currently owned by you, it would be advantageous for the owner of the other home to file a separate claim and receive a Water Right for their own property.

PLEASE NOTE: We do not have a phone number on file for you.

If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Kaila R Savage
Water Resources Agent
