Hi Heidi,

Attached is the Notice of Claim we discussed in our phone conversation today. I have highlighted the items that need to be completed in yellow. Please initial and date each item that is changed and return to my attention at the address below.

I would appreciate it if you would return this information as soon as possible as I will hold on to the first claim, received in April, 2017, and we'll get them both into the Director's Report for part 2 of Basin 95 in the next several months.

Please feel free to contact me if you have any questions.

Thank you.

Linda

Subject: Missing Items from Claim to a Water Right

Hi Heidi,

I am awaiting the return of your claim where we needed you to advise us of the water usage and quantity for the second home on the property receiving water from the spring. (Item 6)

I would appreciate it if you would send this information in by August 1. When you return it, would you please also send along some evidence of the first usage date for this usage? We will be submitting our claim recommendations to the Adjudication Court within the near future and I would like to include your claim. Without this information we will have to reject your claim.

Thank you,

*Linda Werner
