1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

1957 → present Lake Coeur d'Alene water line used for irrigation (sprinklers).

T48N R05W NENE Lot 1 within Kootenai County

2. Describe the changes you wish to make in the proposed recommendation:

Water rights to pull lake water to irrigate 1/2 acre of frontage thru pump on one lot that supplies 2 homes, (Legal easement exists).

3. Give a brief explanation as to why you disagree with these portions:

This combined lot, 100 ft frontage, has history of usage from 1957 to current to water front landscaping, reducing fire danger.

☐ I AGREE with this proposed recommendation: no changes need to be made.
