Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim for Spring Usage

Dear Ms. Rickert:

In regard to our phone conversation today about the spring water usage for the second home on your property – enclosed is a completed Notice of Claim form for your review and signature.

Please return this form to my attention as soon as possible. I've also enclosed a map; would you please show on the map where the homes are located. Once I've received the claim form back; I'll complete our recommendation for decree in the CSRBA and you will have two water rights – claim number 95-17302 for one home with a 1939 priority date and one for the second home, which has been numbered 95-17683 and will have a priority date of June, 1968.

Feel free to contact me at (208) 762-2800 if you have any questions or concerns.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
