1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

There are 2 wells on the property to serve 2 home sites,
so 1 well ^{for} each property # 47N05W011700
47N05W018100

2. Describe the changes you wish to make in the proposed recommendation:

Domestic use for 2 homes (1 for each legal parcel)

3. Give a brief explanation as to why you disagree with these portions:

The recommendation acknowledges 2 separate legal parcels that exist
~~however~~ Parcel 47N05W011700 is an original homestead with a much
earlier priority date than 10/07/1999
#47N05W018100 is 10/07/1999. Each should receive domestic
water right by groundwater

I AGREE with this proposed recommendation: no changes need to be made.
