RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-11743

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was filed for seasonal use of water from Coeur d'Alene Lake for domestic purposes in one home with a claimed priority date of August, 1962. The Notice of Error Reply you submitted for the claim requested that the recommended period of use be revised to include year round usage for the home. Before our recommendation of your claim can be revised, an Amended Notice of Claim to a Water Right form reflecting those changes must be submitted.

For your convenience, I have enclosed an Amended Notice of Claim form with instructions. If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
Northern Region
