RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-15081

Dear Claimant(s),

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right dated May 23, 2011 was filed on the basis of beneficial use for one home with a claimed daily diversion rate of 0.02 cfs. The request to add additional homes based on future plans would require applying for a permit. Additionally, you mentioned on the Notice of Error a surface water claim. I looked through the database and I do not see a claim submitted for surface water, and this would be a separate claim due to there being two different water sources.

Please note, we do not have a current phone number on file for either of you.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2810.

Sincerely,

Kaila Savage  
Water Resource Agent  
Northern Region
