RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14632

Dear Claimants,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. Pursuant to corrections made to the Quantity, the Preliminary Recommendation for that water right claim has been revised. Please review the enclosed Preliminary Recommendation to ensure your agreement with the corrections made.

Please note the Water Right that you applied for on your other property appears to be a License, rather than an Adjudication Claim such as this Preliminary Recommendation. The License was mailed to this address in 2015. For your convenience, I have enclosed a copy of the Water Right License as well.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Kaila R Savage
Water Resource Agent
Northern Region

Enclosures: Revised Preliminary Recommendation for CSRBA Water Right Claim No. 95-16552 and a copy of Water Right License 95-12904.
