Robert D. Kerns
Cataldo, Idaho

1963

1-1 J.R.

On the date indicated below, you were issued an approval on Form ACP-245 for ACP cost-sharing for the following practice:

PRACTICE NO.	PRACTICE DESCRIPTION	APPROVED EXTENT	RATE	FEDERAL COST SHARE APPROVED
C-9	Open Drain			
	(b) Yardage	4448 cy	.16	679.68

DATE APPROVAL WAS ISSUED

5/7/63

Laurence Beal

679.68

THE ABOVE PRACTICE MUST BE COMPLETED
AND REPORTED TO THE ASC COUNTY OFFICE BY

July 1, 1963

Form ACP-245 issued to you for ACP cost-sharing on the above practice specified that its performance must be completed and the report of performance filed with this office by the date indicated above. To date a report of performance for this practice has not been received in this office.

You are reminded that to be eligible for payment, it will be necessary for you to carry out the practice in accordance with program specifications and report performance on or before the date indicated above. We hope you can do so.

In the event you have been unable to complete the practice, you may request the county ASC committee to give you more time or to reapprove the practice. If you have decided not to do the practice we would appreciate your letting us know promptly.

If the report of performance is not filed or a request for extension of the reporting date is not filed with this office by the performance reporting date shown above, your approval for Federal cost-sharing for the practice will have to be cancelled.
