RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-15233

Dear Claimants,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of groundwater for one home with a Period of Use from 05/01 to 11/01. The Notice of Error Reply you submitted for the claim requested that the recommended period of use be revised to include year-round use. Before our recommendation of your claim can be revised, an Amended Notice of Claim to a Water Right form reflecting those changes must be submitted. For your convenience, I have included the Amended Claim. Please fill in #1 with the Trust Name and sign the last page of the claim.

If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Kaila R Savage
Water Resources Agent
Northern Region

Enclosures: Amended Notice of Claim for 95-15233.
