The well in question services the head quarters of a 12,000 acre farming operation and provides water for many uses including:

Providing water for field spraying operations which can exceed 25,000 gls. per day

Provide domestic and irrigation water for a residence with a three quarter acre yard

Provide water for 20 head of cattle, 53 head of hogs and various other farm animals

Herb Millhorn dba. Millhorn Farms Inc. Is a growing business and more demands will be placed on this well in the future

Thank you for your consideration
