RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-13333

Dear Claimants:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. Pursuant to the additional information received, the Preliminary Recommendation for that water right claim has been revised. The recommended priority date was also updated as no evidence was received to prove the beneficial use of the water source for domestic purposes beginning on or before the date claimed. Kootenai County appraisal records for the claimed property (PIN: 048000000160) indicate that a cabin was first built on the property between 1970 and 1971. If you have additional evidence to support the claimed priority date of December 31, 1963, please submit that evidence within 30 days, referencing all documents with the corresponding claim number.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
