RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-13328

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to recommend your adjudication claim to the full extent requested for the following reason.

Surface water and groundwater sources cannot be claimed on the same form and must be claimed separately. If you want to secure a water right for the use of water from a well, you will need to file an additional Notice of Claim to a Water Right in the CSRBA. Only the domestic use of surface water (lake water) will be included in the recommendation of this water right claim.

For your convenience, I am sending you a new CSRBA Notice of Claim to a Water Right form with instructions, please fill out and submit this and return it to our office along with the required \$25.00 filing fee. Do not hesitate to contact us if you have any questions. If additional assistance is needed, you may also schedule an appointment to meet with me in our Coeur d'Alene office. I can be reached by phone during business hours at 208-762-2800.

Please note we do not have a phone number on file for you.

Sincerely,

Kaila R Savage
Water Resource Agent
Northern Region
