RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-13500

Dear Claimants:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested revisions to your claim recommendation at this time for the following reason.

The recommended priority date could not be revised as no evidence was received to prove the beneficial use of the water source for domestic purposes beginning on or before the date claimed. Kootenai County appraisal records for the claimed property (PIN: 48N04W014025) indicate that a home was first built on the property in 1986. If you have additional evidence to support the claimed priority date of May 5, 1983, please submit that evidence within 30 days, referencing all documents with the corresponding claim number.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
