RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-15061

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested revisions to your claim recommendation at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was filed for the use of groundwater for domestic and stockwater purposes with a claimed priority date of June 23, 1994. In your Notice of Error Reply, you requested that additional water be allocated to you with no quantity limitation. That request is not consistent with Idaho water law and cannot be added to the recommendation of your claim. If additional water is needed beyond what is currently recommended, an Application for Permit should be filed. For your convenience, I have enclosed an Application for Permit form with instructions.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
