Subject: Change of Ownership on Water Right 95-15268 & 95-15270

Good afternoon Mr. Fritz,

I have reviewed your Change in Water Right Ownership you submitted, and the Special Warranty Deed you included has the wrong Lot number in the Described Property on #4. It was also recorded as Lot 8 instead of 18 at the Recorders office.

The way it is right now, I am not able to process the ownership change. Could you please get this corrected with the Recorders and/or Assessors office and send me the corrected Warranty Deed?

I will hold your Change of Ownership form for 30 days and if I don't hear from you, I will return it. If you have any questions, please feel free to call.

Thank you,

Dawn Lenon
