Re: A23-04037
CHARLES B. SUMMERS
FORREST L. SUMMERS

To Whom It May Concern:

The following information is being provided from personal knowledge and for the purpose of substantiating claim A23-04037.

In June 1920 Mr. Harve Parks homesteaded the property in Bonneville county, State of Idaho, containing the Parks Spring which has been filed with the Eastern Region Water Resources Board and also relates to the above claim. The spring in question has always been utilized for livestock and domestic purposes and continues in that capacity to the present.

The Parks Spring and surrounding property have been transferred from Mr. Parks to my father, subsequently to myself and my brothers and is currently owned and utilized by my brother's widow, Bardenia Summers and her children, including Forrest L. Summers, Charles B. Summmers, Ralph Summers and Thomas J. Summers, Jr.

The spring has been upgraded and maintained in accordance with good water conservation practices and is used daily for domestic purposes.

Sincerely,

Quayle E. Summers
