RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-13502

Dear Claimant:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested revisions to your claim recommendation at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was filed for the use of groundwater for domestic purposes in one home with a claimed priority date of October 7, 1999. In your Notice of Error Reply, you requested that an additional water right be granted to you for use in a second home on Parcel No. 47N05W011700. Kootenai County records do not currently indicate the presence of a home on that parcel, but do show that a home was located on Parcel No. 47N05W018100 prior to the year 1999. If you would like to claim domestic use for a second home on a separate well system than previously claimed, a new Notice of Claim to a Water Right should be submitted for that use. For your convenience, I have enclosed a Notice of Claim form with instructions. This form can also be utilized to amend your existing claim to include an earlier priority date if you choose to do so. Please be sure to include evidence to support the priority date claimed and prove the continued beneficial use of that water.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
