RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14056

Dear Claimant(s):

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested revisions to your claim recommendation at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of water from Coeur d'Alene Lake in one home with a claimed priority date of July 10, 1970. In your Notice of Error Reply, you requested that the purpose of use description include landscaping. The current recommendation of your claim for domestic purposes includes water use in one home (Parcel No. 49N03W030275) and lawn/garden irrigation of up to ½ acre. If additional water is needed beyond what is currently recommended, an Application for Permit should be filed. For your convenience, I have enclosed an Application for Permit form with instructions.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
