RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA), Notice of Error for Claim 95-7532

RESPONSE DUE DATE: January 14, 2018

Dear Ms. Swanson:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested change to the claim recommendation for the following reason(s).

The Notice of Claim to a Water right identified with the number shown above was filed for the domestic use of groundwater for 20 homes with a claimed priority date of May 13, 1975, based upon a previously issued license. The recommendation of the claim limited domestic use to 19 homes, as was originally licensed. The Notice of Error reply you submitted for the claim requested that the recommended purpose of use be revised to include domestic use in 20 homes.

Before our recommendation of your claim can be revised, an amended Notice of Claim to a Water Right form reflecting a change to municipal use should be submitted. Available information indicates that your water use can be described as municipal, as defined in Idaho Code §42-202B. Water rights issued for municipal purposes allow more flexibility in the number of homes served within the boundaries of its service area, provided the diversion limitations are not exceeded.

For your convenience, I have enclosed an amended Notice of Claim form with instructions. Please review the amended claim, and map, for accuracy and if you would like to pursue this option, sign and date the amended claim under the organization section listed on item 15 of the claim form. Please return the amended claim form by the response due date noted above as we will be submitting the claims for Director's Report for Part 2 of Basin 95 within the near future. After that, if you wish to object to our claim recommendation, a Standard Form 1 (Objection) may need to be filed with the Court.

If you have any questions, feel free to contact me at (208) 762-2800, or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
