RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14534

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of water from Spirit Lake for domestic purposes in one home with a claimed priority date of December 31, 1963. A Notice of Error Reply was received for this claim by the department on November 8, 2018. The deadline for returning that Notice of Error Reply was March 30, 2018. As the Director's Report containing your claim recommendation was submitted to the Court on July, 27, 2018, all changes to the claim and its recommendation must now be processed through the CSRBA Court. If you locate additional evidence and wish to further pursue this water right claim, a Standard Form 1 (Objection) should be filed with the Court. That form along with instructions for filing can be found on our website at <https://idwr.idaho.gov/forms/adjudication.html>. The deadline for filing objections with the Court is April 30, 2019.

PLEASE NOTE: The disallowal of your adjudication claim does not prevent the establishment of new water rights on the property in the future. Feel free to contact our office anytime if you would like assistance filing an Application for Permit, and we will be happy to help.

If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
