RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 91-7257

Dear Mr. and Mrs. Suenkel:

Idaho Department of Water Resources (IDWR) is in the process of completing the review of the notices of claim filed in the CSRBA. The status of CSRBA claim no. 91-7257 that you filed in 2011 was set to "Temporary" when it was received at IDWR because the claim was not submitted on the appropriate form to be considered a notice of claim to a water right in the CSRBA.

If you would like to have your claim reported to, and ultimately decreed by the CSRBA Court, please sign and return the enclosed "amended" claim by February 8, 2019 in the enclosed postage paid envelope. If you would like to make any changes or add information to the claim, you may. However, please initial any changes or additions you make to the claim form.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Carter Fritschle". The signature is fluid and cursive, with the first name "Carter" and last name "Fritschle" clearly distinguishable.
