SUBJECT: Notice of Claim to a Water Right 95-8355

Dear Mr. Koll:

We have received a change of ownership request on property appurtenant to water right number 95-8355. To explain: Right number 95-8355 is a water right obtained by Peter and Carol Bechtel in 1983 which covers the water usage from a well located on the Bechtel property and is used at their home on E Sky Harbor Drive, and according to our records, also used at your home at 4041 E Sky Harbor Drive.

Recently we received a change of ownership form from the new owner of the Bechtel property which requested that when making the change, we also split the water right. This resulted in the right being split, proportionately, to the new owner of the Bechtel home and your home. The resulting water right numbers are 95-17705 and 95-17706.

Your portion of this right would be 95-17706; however, we are unable to update the name on the right split to your property without receiving some information from you. Consequently, please contact me regarding this water right to discuss the water usage and possibly obtain from you a change of ownership form which will allow us to update this water right by adding your name to it. (Water rights are generally appurtenant to property).

Please contact me at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov by January 18, 2019, to discuss this. Time is of the essence as we will be submitting our Director's Reports to the Adjudication Court in the near future and would like Notice of Claim number 95-17706 to be accurately represented in this proceeding.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
