RE: Ownership of Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No. 95-8355

Dear Property Owner,

Our office has been advised that you may be the new owner of Kootenai County Parcel Number 50N03W200850 and the water right claim referenced above.

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right claim 95-8355 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this right, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents showing your ownership. Please follow the instructions included with this form and return it to our office with all the required information.

Once the current ownership of this claim has been established, additional information is needed before it can be recommended to the Court. The Notice of Claim to a Water Right identified with the number shown above has been filed for the domestic use of groundwater for two homes and was based on a previously issued license. The information provided does not include a detailed location of your point of diversion (POD) or places of use (POU). I have enclosed a parcel map of your property. Please mark the map with the approximate location of your well (POD) and your places of use (2 homes) and return it to our office at the address listed above. We will move forward with the recommendation of this CSRBA Water Right Claim once ownership has been updated and sufficient evidence of the POD and POU locations has been provided. **Please submit the required evidence and ownership change form within 30 days, referencing all documents with the corresponding claim number.**

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,
