That is my extra \$100 finders fee.

Sorry. I am distracted. Should be \$156.00

Thanks,
c

Craig,

When I add the three fees together I come up with \$156.00 instead of \$256.00. Is there one missing or are the amounts wrong?

Sascha

Sascha,

Attached is an interagency billing request from IDL pending the SRBA court granting the motions to file late claims. The motions have been granted. Could you please initiate the interagency billing process for a total for \$256.00.

Claim 45-14429 \$25.00
Claim 47-17605 \$106.00
Claim 47-17606 \$25.00

Late claim payments fund PCA 41503.

Let me know if you have any questions or need anything else. Thanks again, I think we are running out of these.

Craig

Hi Craig,

I was reviewing some notes from last week's late claim hearing marathon before Judge Wildman and just realized that I overlooked emailing you last week to let you know that the judge granted all three of the above-listed late claim motions. All three of them were accompanied by a letter to you, dated January 18, 2013, from Tim Duffner, IDL's South Central Area Manager, requesting that you initiate an interagency billing request for the filing fees in the event the Court granted the motions. The judge granted the motions at the April 16th monthly status conference, conditioned upon the payment of the filing fees to IDWR per the interagency billing process. I wanted to let you know this so you could ask Sasha to initiate the process. If you need the January 18th letter in order to do this, let me know. I will be glad to get you a copy.

Thanks.
