Subject: Ownership Change on Water Right No. 95-15461

Asa Clark
1402 Collins Rd
Pullman WA 99163

Dear Mr. Clark:

Water right number 95-15461 was recommended for a domestic use from CDA Lake on parcel number 48N04W145040. You completed a Notice of Error, received on October 15, 2018, stating that the place of use is on parcel number 48N04W145065.

On November 6, 2018, we contacted you regarding ownership of the property and you advised us that you needed to wait on the ownership change until Elizabeth Clark's Trust is settled and dispersed.

Please be advised, because you are not listed as property owner we are unable to make this change until we receive ownership information from you. Has the ownership issue been settled?

We will be submitting Director's Reports for this area in the very near future. Without the ownership change, the water right will be decreed to parcel number 48N04W15040, as claimed. Please contact me by January 22, 2019, to advise us how you would like to proceed with this claim.

Sincerely,

*Linda Werner
