RE: 95-13942

Dear Mr. Austin:

We have reviewed your Notice of Claim in the Northern Idaho Adjudication. The date of priority is listed as September 5, 1975. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then an amended claim can be submitted.

If there are no changes to the claim we will recommend to the court that it be disallowed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kenneth Knoblock', written over a horizontal line.
