Dear Claimant in the Snake River Basin Adjudication (SRBA):

About 12 years ago you or your predecessor filed with the Idaho Department of Water Resources a claim to water rights in the Snake River Basin. The investigation phase of this process is now focused on your area, Basin 23.

You are invited to attend a public meeting to be held on **March 10 at 2:00 p.m. in the Swan Valley Elementary School Gymnasium, 3389 Swan Valley Hwy, Irwin.** The purpose of this meeting is for (1) the Department to update you on how the adjudication process works, and (2) for you, the claimant, to express concerns or discuss problems relating to water delivery in your area. This will help us to understand from an historical perspective the use and delivery of your water right.

Throughout this summer our adjudication staff, primarily from our Eastern Regional Office but also at times from Boise, will be contacting various water users in Basin 23. We ask for your cooperation in this process – the better we understand your water rights the better chance of you receiving an accurate decree from the SRBA Court that fully describes your water rights.

This investigation effort is being conducted by an experienced and successful staff. During recent years, this staff has accurately investigated and reported water rights in neighboring basins, including the Big Lost River, the Little Lost River, Birch Creek, Camas Creek and Portneuf River.

Please contact the Idaho Falls Office with any questions.

Sincerely,

Ernest Carlsen
Adjudication Supervisor, Eastern Region
