Hi Lisa,

Attached is the Notice of Claim for your water usage from CDA Lake as well as instructions for completing the form.

As mentioned in our phone conversation today, we've got maps here and we don't need a fee as we can transfer the money you paid for the permit application to the claim. A partial refund will follow shortly thereafter. I've also enclosed a copy of your tax lot data if you have any questions on the priority date.

Please feel free to contact me if you have any questions.

Linda

Re: Application for Permit (Kootenai parcel 007800020030) (Rule 35 Application Requirements)

Dear Applicants:

Idaho Department of Water Resources (IDWR) received an Application for Permit from you on January 31, 2019 to divert water from Lake Coeur d'Alene for Domestic and Irrigation use. **The Application is unacceptable for filing** in its present form but information available to IDWR indicates that you may be eligible to file a (\$25) Claim in the Coeur d'Alene Spokane River Basin Adjudication (CSRBA) to establish a Water Right.

Please telephone me at (208) 762.2816, after you have reviewed the enclosed material, to review the following steps to complete an Application for Permit / CSRBA Claim:

- Contact Idaho DEPT of Lands (IDOL) about Encroachment Permit.
- Determine whether to complete Permit Application or file CSRBA Claim.
- Label IDWR map with 'X' labeled 'Pump', or 'Point of Diversion' at site of pump / foot valve in Lake & attach to Permit Application or CSRBA Claim.
- Label circled area on map as Domestic and/ or Irrigation 'Place of Use'.
- Call Kaila Savage/ Linda Werner (208) 762.2800 at IDWR on Claim & refund.

Please telephone IDWR if you have questions at (208) 762.2800. Your **corrected Application and fee must be received no later than March 4, 2019 if filing an Application For Permit**. IDWR will take steps to terminate your Application, if no response is received, in accordance with Idaho Code § 42-204.

Respectfully,

Shaun M. Maxey
