RE: Ownership of Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right Claim No. 95-9927

Dear Mr. Mantia,

The Idaho Department of Water Resources (Department) is processing a potential change in water right ownership for CSRBA Water Right Claim No. 95-9927, which was originally claimed by Black Bear Water Association (Association). Claim No. 95-9927 appears to include your property, Kootenai County Parcel # 53N03W118800. I understand you may be the President of the Association. Before the Department can modify its records to reflect new ownership of this claim, additional documentation detailing the ownership history of the water right is needed.

Please submit any documentation you may have that reflects the conveyance of Water Right No. 95-9927 from Metropolitan Mortgage and Security Co. to the Association, directly or indirectly. Additionally, the current management structure of the Association, including its most recent by-laws and current officer list, would be very useful in this matter.

If you are not an officer of the Association, please contact the Department immediately with contact information for the Association, its President or one of its officers.

Please contact this office or provide the requested information within 30 days, and reference the above claim number in all communications.

If you have any questions or concerns, please contact the adjudication staff at 208-762-2800.

Best Regards,
