Subject: Address Change for Claims to Water Rights

Good afternoon,

As I was going through your claim files, 95-16076, 95-16077, and 95-9801, for your water use today I noticed that your packets have been returned by the Post Office over the past year. According to the County, it appears as if your address has changed. We are unable to forward your packets to the new address without confirmation and the address change form sent to our office with the address change request. If you have any questions, please contact me by phone or email.

Thanks,

Kaila R Savage
