RE: Adjudication Claim 37-11726

Dear Ms. Jarmusz:

While reviewing your adjudication claim listed above, I noticed a discrepancy in your property's legal description. Your place of use on the claim is listed as 01 south when it should actually be in 01 north. Since this claim has been reported to the SRBA court in a Director's Report, the only way to correct the legal description before an incorrect decree is issued, is for you to file a *late objection* with the SRBA Court.

I am enclosing an objection form and instructions for your use. Because the 'official' objection period ended on September 9 of this year, it will be necessary for you to write a short letter explaining why your objection is 'late' and mail it along with your objection to the SRBA Court. Basin 37 domestic and stockwater rights are scheduled to start being decreed on November 1, so it is important that you return the objection form to the court as soon as possible.

To assist you, I am enclosing a print out of your claim along with pre-addressed envelopes. Please do not hesitate to contact this office at 736-3033 or the SRBA Court at 736-3011 with any questions you may have.

Sincerely,

Trish Fawcett
Technical Records Specialist
