DESCRIPTIVE SUMMARY

This is a notice by the United States of its withdrawal of the objection filed on
behalf of the United States Department of Agriculture, Forest Service for subcase number

37-12458. The Forest Service objected to a claim made by the Garden Court Owners Association because the point of diversion and place of use were described on National Forest System land. On June 30, 2000 the Idaho Department of Water Resources issued an Amended Director's Report that correctly identifies the legal location of the water right claim. The Amended Director's Report resolves the United States' objection.

NOTICE

Therefore, the United States hereby notices the Court of the withdrawal, with prejudice, of the United States objection to subcase no. 37-12458.

Dated this 13th day of July, 2000

Respectfully submitted,

UNITED STATES OF AMERICA
