RE: Snake River Basin Adjudication
A21-0051A, A21-00106B, A21-04028

Dear Mr. and Mrs. Blanchard:

The enclosed prepared claims were taken from the Department records. The claim for A21-04028 may not reflect the current status of the water right as you own it now. A blank claim form and photocopy of an aerial photograph are enclosed to assist you in correcting the descriptions if need be.

A transfer application for A21-04028 could not be found in our records here or in Idaho Falls. The eastern office did have an exchange request for Fremont-Madison water, but I surmise this is totally unrelated.

The fees as the claims are prepared are \$178.00: (A21-0051A - \$58.00, A21-00106B - \$70.00, A21-04028 - \$73.00, \$50.00 per claim plus \$1.00 per acre claimed, paid one time only). The domestic or stockwater claims are \$25.00 each.

If you need further assistance, I would encourage you to make an appointment with the Idaho Falls office, 525-7161. I would, however, welcome your questions.

Yours Truly,

Donald V. Shaff
Adjudication Section Supervisor

Ron,

This is a copy of a verification of ownership of 25 inches of June 1, 1890 Farnsworth Water Right that is being delivered through and has been delivered through the Silky Ditch during the irrigation season since the decree was established and the delivery ditch was completed.

The latest decree book that we have shows that William Arthure Blanchard has my 25 inches or .5 c.f.s included in his 5.2 c.f.s. of Farnsworth water decree.

Would you please list my decreed water right in my name under the Silky Canal System in future publications. Thank you very much.

Respectfully,

Gail Blanchard
