RE: Robert L. Hild's Notices of Water Right ..

Dear Mr. Foster:

The Idaho Department of Water Resources (IDWR) is returning check #0001820 (\$540.00) and Robert L. Hild's Notices of Claim to a Water Right because of insufficient information and/or fees. All items on the notices must be correctly completed and fees submitted before the IDWR can process the claims.

Please correct the items identified below and return the forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected notices within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each notice.

- The page listing the purposes, amounts, and place of use (Items #6 through #14) was omitted for the Devenberg Spring Notice of Claim.
- Please indicate the number of irrigated acres (listed on the Cow Creek and Stump Creek Notices of Claim) which overlap each other. For example, are the ten acres listed in the SW 1/4 of NE 1/4, Section 28, of the Stump Creek notice the same ten acres listed on the Cow Creek notice? Are the entire 25 acres listed in the SE 1/4 of NE 1/4, Section 28, of the Stump Creek notice included within the 30 acres listed in the same 40-acre tract on the Cow Creek notice?

If you have any questions, please call Tony Olenichak, Water Right Agent, at 525-7161.

Sincerely,

Tony Olenichak
