E. REASONS SUPPORTING OBJECTION(S): The land that the spring is on has been ~~subdivided~~ subdivided into smaller parcels (20-30 acres).

What used to be private timber ground is now private residence (6 lots total) with exclusive deeded access behind a gated entry.
I, Bryce Barth own the 30 acre parcel with the spring.
Mike Davis does not have deeded access to the property making any access by him or any other individuals trespassing.
Mike Davis has a well on his property now making the original intention of the spring unnecessary.
