☐ This water right was not recommended, but should be recommended with the elements described above.

E. REASONS SUPPORTING OBJECTION(S): Objector identified the spring on the
ground and collected a GPS point. A map identifying the point is attached. The point of diversion
should be located on the claimant's property and not on the Objector's property. In discussions with
the claimant, Cynthia Oswald, she said a well was drilled for domestic use and the spring is used for
irrigation and fire protection.
