Parcel Nos: See Rec. (attached) with corrected parcel no's.

2. Describe the changes you wish to make in the proposed recommendation:

POD's: See map - POP 1 should be added (there since 1946) so POP 3 has a culvert added in a culvert approx. 2004 & a pump could be put here, also better access to their ball field on R. Little property. POP #4 has a gate which conveys water

3. Give a brief explanation as to why you disagree with these portions:

POU- See new acreage calculations on attached recommendation

I AGREE with this proposed recommendation: no changes need to be made.
