SUBJECT: Ownership Change Results on Notice of Claim to a Water Right Number 95-9676

Dear Mr. Thorsheim and Ms. Little:

If you will recall - on April 1, 2018, you submitted a change of ownership request on the parcel purchased from Betty Ann Barley covered under water right 95-9676. At the time, you requested that we split off your portion of the land covered under that water right. We completed the ownership change shortly after the request; however, we were unable to split off your parcel due to time constraints with the Coeur d'Alene-Spokane River Basin Adjudication.

This letter is to advise you that we completed the split of the right; it has been split proportionately based on the place(s) of use acquired by you as the new owner and has resulted in the following:

Water right number 95-9676 has been renumbered to 95-17796 and 95-17797. 95-17796 is the portion owned by Auggie Watson, Grace Dolly and Timothy Watson. This portion has been recommended for 27.5 acres of irrigation at a quantity of 0.55 cfs (cubic feet per second).

The parcel you purchased from Betty Barley is now numbered 95-17797 and has been recommended for 5.8 acres irrigation and 0.12 cfs. Maps are enclosed for your review. Please be advised that when it comes to water rights; the only portion that the Department is concerned with is the portion where water is being applied.

Please feel free to contact me at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov if you have any questions.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
