RE: Rejection of Notice of Claim to a Water Right

Dear Mr. Caldwell:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Claim. We are rejecting and returning your adjudication claim for the following reason.

The reason we are rejecting your claim is because required information was not provided on the claim form. The priority date appears to be incorrect and part 6, 7, & 13 were left incomplete. The priority date should be the date that water was first used from your well. For your convenience, I have included a copy of the instructions to help you fill out the claim.

If you still have questions, please feel free to call our office and talk to an adjudications agent.

Sincerely,

Dawn R. Lenon
