Dear Ms. Dandurand,

Per our telephone conversation yesterday, I prepared a DRAFT domestic claim for your review. I am including a map that shows what I think is the property that has the domestic use you wanted to claim. If/when you submit the claim, please mark the location of the point of diversion (well location) on the map and attach it to the signed notice of claim. You, of course, could include Lat/Long coordinates if that is easier or use a different map. You don't have to use the one I attached.

I left the diversion rate at the standard of 0.04 cfs (18 gpm) as I mentioned on the phone, but if you want to claim more, just cross out what I entered and add in the amount you want to claim. Please include any information that supports a claimed diversion rate above the 0.04 cfs.

The filing fee for the claim is **\$25**. When satisfied, send the completed claim to either:

7600 N MINERAL DR STE 100
COEUR D ALENE ID 83815-7763

Please feel free to contact me if you have any questions or concerns.

Respectfully,
