Idaho Department of Water Resources
Attn: Adjudication Bureau
1301 North Orchard Street
Boise, ID 83706Matter: Notice of Change of Water Right Ownership
Our File: 4562-2

Dear Sir/Madam:

Enclosed please find a Notice of Change of Ownership for Goddards Bar 13 Ranch Ltd. (Water Right Nos. listed on Exhibit A). These water rights were conveyed as appurtenances to the real property described in the attached Grant Deed from Bar 13 Ranch Limited Partnership as Grantor to 6X Ranch, LLC as Grantee. The water right records previously indicated the water right owner variously as Goddard's Bar 13 Ranch, or Bar 13 Ranch Limited Partnership. The attached quitclaim deeds were recorded prior to the Grant Deed to consolidate ownership of all the real property and water rights in Bar 13 Ranch Limited Partnership.

These water rights have been recognized by partial decrees in the SRBA. However, inasmuch as the SRBA Court continues to consider the season of use and conjunctive management general provisions for Basin 34 rights, I request that the Department ensure that the change of ownership of each of these rights be indicated both in the Department's records and the SRBA's. I also would appreciate your providing me printouts for my review and files of each of the water right descriptions indicating 6X Ranch, LLC as the correct owner once the change of ownership has been made to these records.

Also enclosed, please find an Assignment of Application for Water Right and Assignment of Permit. I have included a check in the amount of \$25.00 to cover the Department's fee for assignment of the permit. My understanding is that no fee is charged for the Assignment of Application.

6X Ranch, LLC is an Idaho limited liability company and Blake Quinn is the authorized signator as the managing member under the Articles of Organization. A copy of these Articles is enclosed, together with the Warranty Deed conveying the real property and appurtenant water rights.
