Re: **A. W. Molyneux (A34-13589)**

Dear Mr. Carlson:

In response to your letter of October 14, 1999, enclosed please find the following:

1. Notice of Water Right Location dated March 20, 1902.
2. Warranty Deed dated January 24, 1918.

You will note that the Notice of Water Right Location claimed six (6) cfs on the property legally described therein, which is currently owned by A. W. Molyneux. The 1918 deed likewise references that same six (6) cubic feet of water "appropriated by A. Stauffenberg", which "water right was appropriated March 20, 1902, and recorded March 21, 1902". I do not believe that the U.C. decree would preclude my clients from claiming this earlier priority date as we discussed in our phone conversation. Consequently, I would request your further inquiry into that matter, and a follow-up letter from you concerning my client's amendment of the current SRBA claim to show a March 20, 1902 priority date. Thank you in advance for your consideration and assistance.

Yours truly,

GARY D. SLETTE
