Remarks _____

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions,
 of the public land survey system.

owns

25-4301
25-4090

All these places were all old

Home Steads early in the 1900s.
A nice town in 1919 and a reminder
the Lewis & Clark home and the apple
tree they would water.

They had two canyons to draw
water from. They would have had
for their stock. They had a spring

in each canyon ~~at~~ dam. They would
water hay garden & orchard out of
these dams. I purchased it from my brother
about 1943.

Personal interview indicates
that Claimant was born
on property and has been
in his families possession
since that time
