v-v-v

A notice of claim was filed for the above-captioned water right pursuant to I.C. § 42-1409. The Director of the State of Idaho Department of Water Resources (IDWR) examined the water system for this reporting area. The *Director's Report* contained a recommendation or abstract for the elements of this water right.

On June 19, 2007, the Riverside Irrigation District, through its attorney Albert P. Barker, filed an objection to the *Director's Report*, asserting that the source of the water right should be described as wastewater. An initial hearing on the objection was held on June 26, 2008, at which the claimant, Woodrow J. Harold failed to appear. An *Order to Show Cause* was issued, and a hearing thereon was held on July 22, 2008. Again, the claimant failed to appear.

II. CONCLUSIONS OF LAW

Therefore based on the file and record herein, and pursuant to the terms of the *Order to Show Cause*, IT IS RECOMMENDED that water right 63-03001A be decreed with the elements as set forth in the attached *Recommendation for Partial Decree Pursuant to I.R.C.P. 54(b)*.

Case No. 39576	) ORDER TO SHOW CAUSE
_____	)

This matter came before this Special Master pursuant to an initial hearing held June 26, 2008. Woodrow J. Harold, (hereinafter "Claimant") was notified of the hearing via first class mail sent to his last known address. The Claimant failed to appear at the initial hearing.

On June 19, 2007, the Riverside Irrigation District, through its attorney Albert P. Barker, (hereinafter "Objector") filed an objection to the *Director's Report* for this water right claim, asserting that the source of the water right is waste water, and that the water right should not exist.

It is **hereby ordered** that the Claimant shall appear before this Special Master on **July 22, 2008, at 1:30 P.M.** Mountain Time, at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue north, Twin Falls, Idaho, to show cause why the objection filed by the Riverside Irrigation District should not be granted. Parties may participate by telephone by dialing 225-383-1099 and when prompted entering the code 675342.

Participation in the show cause hearing is **not mandatory** and failure to appear will not be considered contempt of court. **However, failure to appear will result in the Claimant being deemed to have consented to the remedy sought by the Riverside Irrigation District, including disallowance of the water right.** If the Claimant participates in the hearing, he will be expected to notify this Special Master whether he intends to prosecute the case, and accordingly a trial date will be set. In such event, no additional evidence or argument need be presented as the subcase will be allowed to

proceed to trial as a matter of course. Therefore the parties need not produce testimony or evidence in accordance with I.R.C.P. 6(c)(2)(B).

A copy of this *Order to Show Cause* shall be served upon the Claimant and the Objector not less than five (5) days prior to the date herein shown. Service of the *Order to Show Cause* shall be made in accordance with I.R.C.P. 5(b) and 6(c)(2).

SUBJECT: Woodrow Harrold Water Right
A63-03001

Dear Ms. Groot:

Enclosed are three copies of the above Notice of Claim to a Water Right. These copies show the way this has been split between the Harrolds and the Foss's.

Note that when I split these rights I also had to split the amount of water. I did this on the basis that the total amount of water licensed was 1.4 cubic foot per second (cfs) for 78 acres. By pro-rating this amount the amount of cfs per acre came out to 0.0179 cfs per acre, of which I rounded up to 0.02 cfs. I also left the non-irrigation uses as is (item 9) which allows for livestock on a year around basis. I deleted the description of diversion works (item 5) for all but Mr. W. Harrold's claim as I was not sure if all parties were using the same type of system.

Please be sure to contact me if you have any questions regarding the water right as split.

Sincerely,

Linda A. Werner

Dear Linda;

Thanks for helping me try and help these new claimants, they will have 74 acre feet for Foss and 2 acre feet for D. Harrold. Woodrow J. Harrold will keep 2 acre feet for his pasture. From what I gather Woodrow J. Harrold filed on the entire amount of land in his family, however there is no shortage. If this does not clear it up, if you could let me know and I will try some more. Dave Harrold is Woodrow J. Harrold's nephew and has only 10 acres that he can irrigate from the original 78 acre feet. I am sending the description from the Title Insurance. I will include Dave Harrold's description with his.

I understand the fee W. J. Harrold paid takes care of this, is this correct? *Thank you very much,*
Wanda
