IN THE MATTER OF APPLICATION FOR PERMIT
NO. 25-7276 IN THE NAME OF VAN ROY SANDIFER

WITHDRAWAL OF PROTEST

We originally protested the granting of permit 25-7276 because we have for many years used the water of Rock Creek for the irrigation of approximately 80 acres of ground. Available evidence indicates that this right was established in 1893.

However, based upon the discussion of the issues we believe the applicant, Van Roy Sandifer, recognizes the priority of our use precedes any right established through approval of this permit, and therefore, we have no objection to his using water from Rock Creek during times flows are sufficient for both of our uses or we are not irrigating.

Therefore, based upon the applicant's signature on this document as confirmation of his recognizing our prior water rights, we hereby withdraw our protest to the approval of application 25-7276.

Dated this 9th day of February, 1982.
